Reserve your table at the NESNE sponsored Journalism Career Fair! Students from New England colleges and universities will be onsite eager to hear about opportunities you have to offer. The number of tables available is limited and participants accepted on a first-come first-served basis, so please send in your reservation today.

You will be provided with a table and 2 chairs. Please feel free to bring any displays, giveaways and marketing material you might have to provide students with more information as well as to attract them to your table.

In addition to a recruiting table, make an impact on potential new hires by giving a 10-minute presentation about your company in the amphitheater for a nominal fee.
