Required: NEWSPAPER OF THE YEAR COVER LETTER

To reflect the changing media landscape, the Newspaper of the Year judging criteria includes non-traditional methods that news organizations are using along with the printed newspaper, website and mobile products.

Please submit a brief summary of the strategy and news products you are using to inform and engage audiences in an accurate, comprehensive and timely manner. We have included a checklist of products, but please add any further methods that are not on the list. Please feel free to use this form or attach a separate cover letter.

Lined area for writing the cover letter summary.

Please check the following methods your newspaper is currently using to disseminate news and information to the community.

- electronic newsletters
- local events or community forums
- community guides
- podcasts
- radio
- TV
- direct mail
- social media platforms:

- Other (please describe)
